VOICES
Together

Coming Fall 2020

*"O sing to the LORD a new song;
sing to the LORD, all the earth."*

— PSALM 96:1

A new worship and song collection
for the Mennonite church

VOICES TOGETHER

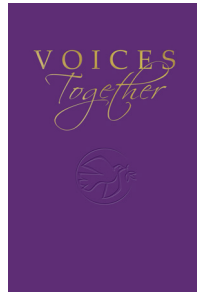

VOICES TOGETHER

OUR HYMNALS HAVE AGED. Some have worn and tattered pages, and others lack the new songs we love to sing. We need a collection that includes favorites, both classic and contemporary. We need a collection compatible with our churches' technology and our diverse styles of gathering. We need a collection that unites us and brings our voices together to honor and worship God. We need *Voices Together*.

Voices Together is a new worship and song collection for the Mennonite church designed to deepen our lives of faith. This robust collection will be available for congregations in Fall 2020. Representing a variety of musical styles and patterns of worship, *Voices Together* will contain both new songs and old favorites, as well as comprehensive indexes by topic, tune, Scripture, and first line.

PEW EDITION: \$32.99 CAD*

- More than 750 songs and 200 worship resources
- Music that represents traditions from around the world and diverse traditions within Canada and the United States
- Worship resources that engage Scripture, support practices like child blessing and communion, and summon us to prayer in ways that are both new and familiar
- Music from many genres, including songs from Taizé, four-part hymns, and contemporary worship songs
- New songs, worship resources, and visual art by Anabaptist authors, composers, and artists
- Indexes by topic, tune, Scripture, and first line

Once opened, this product cannot be returned.

Please note: Some hymns have projection restrictions based on copyright. While all files for music and worship resources in *Voices Together* will be on the flash drive, it is the legal responsibility of each congregation to follow the enclosed instructions and secure copyright permissions, many of which are covered by CCLI or One License.
